A DAY

Trust us, it's time to trade in traffic jams for glacial routes and the smell of photocopy paper for pine-scented forests. To let loose, laugh it up and bond with Mother Nature. So think fjords, fresh air and front row seats for the wildlife show. When you choose Carnival, it's all yours for the taking – the sweet destinations, award-winning service, delicious dining, onboard activities, nighttime entertainment and spacious accommodations – wrapped up in one imaginative floating resort. Don't miss the chance to see Mother Nature's pet projects up close.
